We appreciate your work in the School of Education and feel that you can give us information that will be helpful as we continue to make program improvements. Please reflect on your major coursework and field experiences and respond to the following questions. We are equally interested in specific comments that address helpful experiences as well as specific comments that address areas that need further review.

1. (a) What did you find most helpful in preparing you for managing the classroom to facilitate student learning?

(b) What curriculum changes, if any, would you make in this area?

2. (a) What did you find most helpful in preparing for lesson planning and instructional presentations?

(b) What curriculum changes, if any, would you make in this area?

[Type here]

3. (a) Prior to formal student teaching, what course(s) and/or experience(s) best prepared you for the student teaching experience?
(b) What curriculum changes, if any, would you make in this area?
4. (a) What did you find most helpful in preparing to meet individual student needs?
(b) What curriculum changes, if any, would you make in this area?
5. What did you find most helpful in fulfilling the prophetic charge to:
 - a. Become a life-long learner?
 - b. Instill in **your students** the desire to become life-long learners?
6. You are invited to make any additional comments in the space provided.

Thank you for your feedback. On behalf of the entire faculty and staff of the School of Education, best wishes for a productive and happy teaching career.
